PROPERTY MINISTRY

Robin Dixon-Thompson, Ministry Team Leader

The property committee has been active over the last few months with projects including the construction of the fence at the back of the church, tidying the garden, fixing leaks in the roof, inspection of the manse and subsequent quotes for flooring.

Last weekend there was a makeover of the front yard at the manse where landscaper Simon Hollitt created a new space that will allow the minister and their family to be able to enjoy the view while praying over the city. This space has already become a regular place to connect with God. Thanks to all involved.
