ANNUAL GENERAL MEETING OF THE CONGREGATION

Questions for The AGM booklet for ministry teams

*(We don't need long pages of information: Even
dot points would be fine.)*

**If you haven't already, please structure your
report around the three R's that we will be
using for the 150th Celebrations.**

Remember:

What has happened over the past year?

Where has God been active?

What new activities have you tried?

Renew:

*What might need to be changed heading into
the future to make the ministry better and
even more effective in fulfilling the vision of
the church to be a healthy, growing,
influential church that reaches people with
Christ's love and word?*

Rejoice:

*What can we thank God for as a church due to
the Holy Spirit working through this ministry?
What have been the moments of good news
for 2017?*

*Please email your report to the office by Friday
27th October so that booklets can be printed in
time for distribution on Friday 3rd November*
