Welcome to Unity Hill—a great place to connect with God and connect with others.

A healthy growing influential church

PASTORAL MINISTRY

Benji Callen, Lead Pastor

National Church Life Survey ~ is the largest church wide survey in Australia held to coincide with the National Census. Its results provide valuable information for denominations and our local church to assess where we are, where we've come from and where we're going. If you didn't fill one out last week, please stay behind and fill in the survey forms after worship today. Thanks to those who have completed the survey.

Global Leadership Summit ~ we had nearly 30 attend on both days, including 2 students from local schools. Highlights were the talk from Patrick Lencioni, Travis Bradberry and Danielle Strickland. Compassion rep David Helyard attended and he brought along virtual reality glasses taking the users to Kenya and Haiti. Willow Creek have developed an app on which you can watch and share hundreds of videos from world class summit faculty, with new videos added each week. Download the free GLS-next App today on your computer or smartphone.

New Rosters ~ are out this week. I love to see this as not another task to be done in the church, rather a God given opportunity to serve the Lord and God's people with my gifts, talents and passions. If you have any questions about the roster please talk to either team ministry leaders Lindley (9am worship), Michelle Jude (10:45 worship), Mitchell Doughty (worship tech), Liz Tyler (office team), Pastor Robert or myself.
