

UNITY HILL'S CORE BELIEFS

- There is one God, revealed as Father, Son and Holy Spirit.
- Jesus Christ is the Son of God and the living Word.
- Salvation from sin and eternal life are found in Christ alone.
- The Bible is the unique testimony of humankind's encounter with God, in which we hear God speak, and by which our faith and obedience are nourished and regulated.
- The church is a world-wide body of believers with Christ as the head, a pilgrim people travelling towards the promised goal of the Kingdom of God.
- The church by its very nature is called into fruitful mission, locally and globally.
- Baptism is the sign of new life in Christ in which we are united with Christ and his ministry in the world. We baptise those who confess the Christian faith and/or their children, who are presented for baptism and for whose instruction and nourishment in the faith the church takes responsibility.
- In Holy Communion we celebrate Christ's death and his continuing presence. It is a means by which we deepen our relationship with God, we grow together, we are strengthened for effective service, and we receive a foretaste of the coming Kingdom of God.
- The Spirit of God equips the church by supplying diverse gifts and by empowering believers to continue the ministry of Christ.
- In God's timing, Jesus Christ will come again to bring about the fulfilment of all things within God's purposes.
